It looks like
they're all
interested
in Marina.

You people should
just go back!

These fellows

Nasty as hell,
disturbing
other's peace!

You! When is
the engagement
ceremony going
to be held!

Wait a minute!
We came here
for the challenge!

It's no problem!
They should go!
I still have
homework to
write anyway!

ちゅー

うかー

Raka!
It's still
too early!

For I'm the
world's
number 1...!

hehe
heh

hehe!

You want Marina?
You bunch of brats,
looking like this and
wanna be mercenaries?

They are all
critters I caught
when I was
little!

You all know that,
behind this shop,
there's a large
mountain where
demons dwell—
right?

If any of you
can take the scale
of the largest demon
that dwells at the
top....

Wait....
Wait a
moment...
!

I'll give him
the hand of
my grand-
daughter
(in marriage)
!!

How can this be!
Seap joking!

Without trying
the test, how can
one know his
true strength!

"ah what!
I was married
this way too!

That's you!
I don't
want
this...

well!
Don't
sign!

Anyone who
wants to go
up the
mountain,
sign here!

How can my
lifefuture
be decided
by this so
casually?

lily!
What is the
meaning
of this!

How come they
are all from that
branch of stinky
guys!

Heaven
will
protect/bless
you!

If you
do good
deeds
once in
a while

whatever!
as long as you
can get the scale,
I would
recognize you!

hai....
I
understands!

well then,
I'll go prepare
a bit as well

Bring back
a scale
before
any more
discussion!

This is
our family's
tradition!

Grandfather!
I already
have someone
I love!

I DON'T
PLAN
TO DO
THAT!

Can you NOT
participate?

that is just
because I
admire you
...

I heard
that you're
the world's
great
adventurer

Then
why...

I'll never
let you
have
Hilda!

I don't care
if you are
the best
mercenary
in the
world....

Hilda, you don't
have to worry!

I'll bring the
scale back
for
sure!

"ohayoo"

I will!
Don't
worry!

Kepa!
You mean...
you have to
bring the
scale back,
okay?!

I remember...

That day was
dark and cloudy
as well...

Then the
demons
weren't struck
yet!

Understood?
Anyone
wishing
to shoot...
jump into the river

But... that kind of
coward... I would
never betroth
Hilda to him!

If you can
be a little
considerate

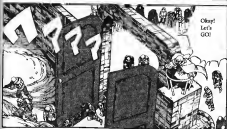

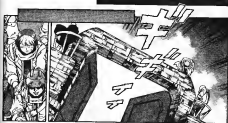

Please!
Don't
go!

I
REFUSE
!

100

Okay!
Let's
GO!

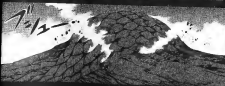

There's still
you, isn't
there?

There already
isn't anyone
left...

... K O Y A I

Actually...
What you
did is the same
as eight years
ago...

that's why you
hired me...

You wished
that your sister
and Thomas
would have more
confidence...

oh?
what?

That's right!
Young people
these days
just don't have
confidence!

The same
matter...

This kind
of people
is absolutely
unworthy
to be my
grandson-
in-law!

Then...
Then eight
years ago...
...!!

Soo...

HA HA HA
HA HA
.....!

ACT-8 Shadow

Sorry...
I could
only find
these...

EE... EE...

These
are
enough
!

You brought me
here cause you
need to avoid
those rats?

This here
is my
room....

How come
you don't go
back to your
own room!

CHAPTER 11

But
I've been
sleeping
like this

Those that work
here don't even
have a bed!

O...lo...ster!

Gloster had me wear it

neck... collar...

huh...

This is?

'lily'
'hoop'

Feeding me
to wear this collar
is for knowing
where I am.....

...to
prevent me
from escaping.....

The King
here...

Strange, isn't it?

I was a
Princess!

Up
until
three
years
ago

Because I'm
the daughter
of the previous
king

Need?

© 1999 ...

I've finally
caught up to you!

Bolt Grank!

He should've
arrived
here...

Did an adventurer
named
Zolt come
by?

Er...
Sorry for the
bother!

I

Doesn't
seem

Well...
Um...
That...

.....

He's the one
that dumped
my elder sister
...Loren!

If you see him-
Please contact
me!

maybe...

Did you say...

Leon...

Leon...

He's the one
that
Killed
Emperor
Charles!

We...
We even
beseeched
him...

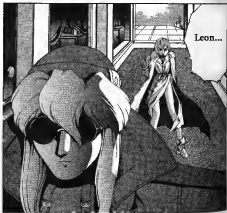

What
a
tragedy

Entreated
him to
dethrone
Gloster
.....!

It's YOU!

You are the
one that
killed
my father!

She said
that...
you're
Loom...

There's
a girl
searching
for you.
...

...and
then?

Naze desu...

And I thought
that you
were a
good guy
...

I understand...
there's still
Glester...

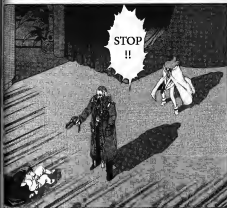

Then
I
KILL
You!

After you've
killed him
.....

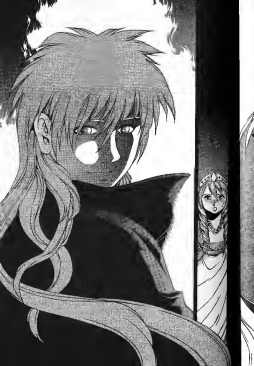

He's not
Leon...

then...

hey!
Prince
Genda
is over
there!

this is that
Bolt guy's
doing!

there's
not even
a ghost!
this
castle
is
empty!

wait...
stop!
I can give
you money!

Have you
ever seen me
before?

I only
want to
ask you
one thing

I've never
seen you
before!

No...
I don't
know!

.....
should be
right!

I feel that
I've never
seen
you before
as well!

**ANOTHER
STORY
BYE BYE AIMIE**

On such a quiet night
memories of past days come to mind

Oh...

What are we
drinking to?

For a reunion
after 10 years?

Do you
really want
to be
caught by me
that badly
?

Oh...

For your
loyalty
to your job
....!

I only hope
that you would
leave this city

But I don't
plan to
arrest you...

THA

It looks like
an attempted
assault on a
police
officer,
right!

What
are
you
doing?

No one
can
kill me....

You can't
kill me....

If you don't hurry
and arrest me—

Perhaps I would
kill whoever else
oppose!

Bolt Grunt!
Throw
away
the sword!

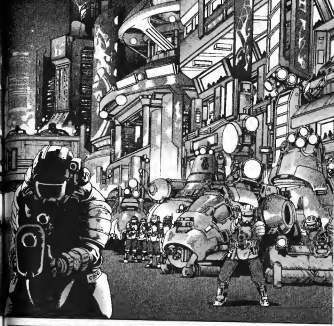

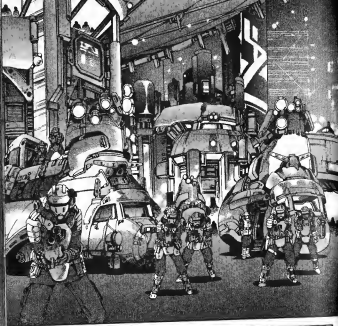

Arise
but,
are you
fine?

Arise
but,
are you
fine?

From police to the road

What were
you
thinking?

Going
alone...

No...
so sorry...

You want
to get
credit
that
badly?

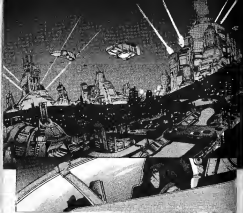

You asleep?

Those five who were murdered ...

All five men
are highly
respected
in the field of
bioengineering

the actual
details
aren't known
yet.

National
secrets!

but the
common
factor
is that...

and the research
group was already
disbanded
10 years ago!

yes...
it can't be
wrong!

Then...
let's
begin the
interrogation

"beep"
"beep"

Isn't it
quicker
to ask Bolt
directly?

That
guy is
still a
suspect!

Government
confidentiality...!
What's the
connection?

The victim is
Isanoff
St. Meyer...

Code 5738
@ KY-2851

There's quite
a few people
in the world
who just loves
to commit
crimes!

What is it?

This man is
also a member of
the secret research
party 10 years
ago!

Admiral
Is Bolt there?

Isn't
it?

Only you know
Bolt...

He
escaped!

Bolt?

Come, don't use
that tone! I just
think maybe you
would be able
to find him...

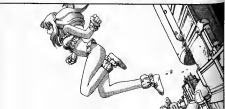

So, how is
it
relevant?

What is it?
Aaaa!

!

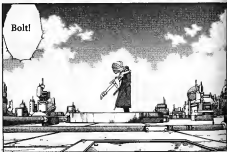

We have to
do this
right now!

Chief!
You can't
be planning
—

and
I think I should
be able
to...

Can you back
into the FBI
mainframe?

So that there won't be
any more victims...

We have to find
more answers!

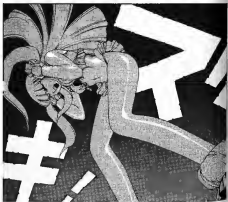

Since it is the chief's order...
I can't...

You still gonna stop me?

How is it!
Can it be
cracked?

You...
Going into
force search
mode!

Government
secret research
network.

Found
it!

POLIZEI

Human
experiments!!

Human
body
bioengineering

are all
parentless
children...

Those used
for the
experiments

or becomes
conscious...

Those in
the failed
tests,
either die...

There's a large
variety of
experiments,
and the
success rate
is only 2.3%

Why,
what the hell
was it for?

this is
too cruel

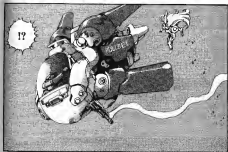

Don't!
Naomi!

That girl
is the
culprit !!

This way...
to end it..
is for
the best
...

Because
Naomi
is an incomplete
test subject...

she has been
living very very
painfully...

So her
motive
is vengeance

Those that the girl
killed...

They are all
actions
who've help
created her!

That is it!
There's
no other
explanation!

The walls here
have
a high
voltage....

I still have
questions
I need to
ask you!

You sure
are
passionate
about
work!

"Shik!"
"Shik!"

And it is me
who will guard
you personally.
You can't escape....

You...
What are you
doing here?

Aimie...
Is it Amy?

ah
!

I haven't
done
anything!

Don't
come,
Airmiel!

You also killed
a lot of
my friends!!

You killed
Naemil!
Not only that...

You're
mankind's
dream!

But, you're
a success!
You are the
final product!

I've never wanted
to become
this kind
of monster
!

I did not
wish for
this...

having friends...

is such a beautiful
thing...

But
you
people...

Stop!
Aimie!

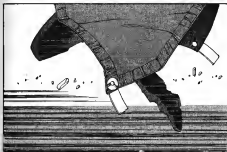

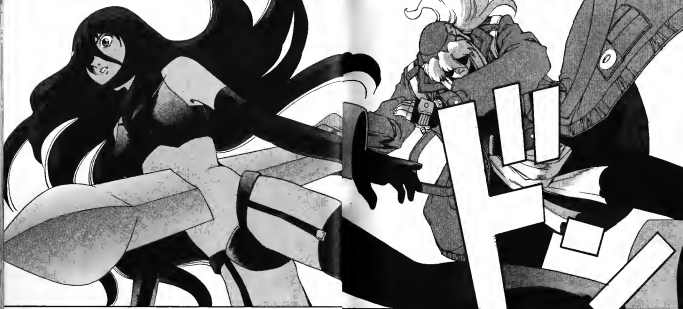

This is...
the last
time!

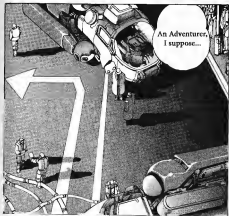

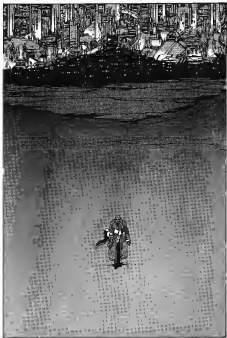

No...
you already died!

the you in
the past
has died!

"you"

Adira...
everyone died...
only I survived
and lived on...

All I can say is that
I'm not one of the
researchers...

Just what is it that
you do inside the
research facility?

You were always...
one person...
silently guarding
me...

looking at us
with sad eyes

eating
bolts...

Still the
same as
10 years ago,
nothing has
changed...

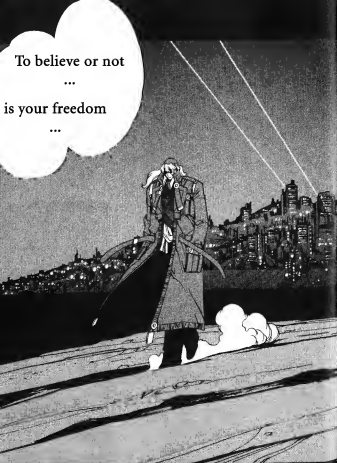

To believe or not

...

is your freedom

Epilogue

*After reading it, what do you think?
Originally, Another Face Story
was only meant to be 32 pages,
but this and that and it became 112 pages long!
Just giving myself trouble
If there're chances, I think that I would still draw long work!
Thank You for the support, in the future as well!*

Secrets

Bob Crank
He's the kind of
mercenary/adventurer
that brings with him
a sense of shadoness.
The editor for this work
told me that, to promote
Bob, he's publishing a new
book. Titled
Several Art Book,
there's also animation
and OST included,
heheheh, this is a limited
edition product though.
These days, I'm always
thinking after much
thought, I found that
"Just what am I doing?"
"Sigh" I should
just go back to
drawing my manga.
